Passalacqua, et al. v. County of Suffolk, et al.
19-CV-05738 (SRB) (SIL)

Dear Magistrate Judge Locke:

We represent the plaintiffs *pro bono* in the two above-referenced actions.

I appeared before you on May 30, 2024, after just taking over this file and several others from Neil Torczyner, who resigned from our office a short time before the Court date. After a short conference, both cases were adjourned to July 2, 2024 for a discussion of settlement and/or the further scheduling of discovery, including depositions.

I respectfully request a two-week adjournment of the conference. I am still attempting to fully review all of Mr. Torczyner's cases, including these two, and would be in a better position to have a meaningful discussion with the Court if I had a little more time. Thus, the request for an adjournment.

I emailed both opposing counsel, William D. Wexler and Arlene S. Zwilling, who have no objection to the adjournment. Ms. Zwilling did say, in terms of scheduling, she has a trial starting on July 22, 2024.

I apologize for any inconvenience and thank the Court for its attention to this matter.

Very truly yours,
